Lesson for July 12

THE GOSPEL IN ANTIOCH OF PISIDIA.

LESSON TEXT—Acts 13:13-52.

GOLDEN TEXT—Behold, I have given him for a witness to the people, a leader and commander to the people.—Isa. 55:4.

PRIMARY TOPIC—Telling Strangers About Jesus.

JUNIOR TOPIC—Barnabas and Paul in Antioch, Pisidia.

INTERMEDIATE AND SENIOR TOPIC—Early Victories of Foreign Missions.

YOUNG PEOPLE AND ADULT TOPIC—Paul's Preaching and its Effects.

I. In the Synagogue at Antioch in Pisidia (vv. 13-16).

From Paphos Paul and Barnabas with their companion Mark, went northward to Perga. Here Mark, for some reason, perhaps because of hard ships, went back. He was ready to go again when they started on their second journey, but Paul would not give his consent (Acts 15:38-39). Before Paul's death he testified in Mark's favor for he had found him profitable unto him for the ministry (II Tim. 4:11). From Perga they went to Antioch in Pisidia and here they entered the synagogue on the Sabbath day. From this we see that though Paul was sent to the Gentiles, he did not depart from the order of begin ning with the Jews.

II. Paul's First Recorded Sermon (vv. 17-41).

This sermon is worthy of careful study. In its analysis we find four parts:

1. Historical (vv. 17-23).

In this section we see how Paul in a conciliatory way, led them gradually through a series of changes in which God had dealt graciously with them, finally giving them Jesus, His Son.

(1) God chose and exalted the people (v. 17).

(2) He delivered them from Egyptian bondage, and led them through the terrible wilderness (vv. 17-18).

(3) He destroyed the Canaanitish nations, giving their lands to the Israelites (v. 19).

(4) He gave them judges as their deliverers when distressed by surrounding nations (v. 20).

(5) After they had selfishly chosen a king, He rejected the dynasty of Saul, and chose David, a man after His own heart (vv. 21-22).

(6) From it was God who from David's seed raised up unto Israel a Savior, Jesus. This demanded proof which is given in the next section.

2. Apologetical (vv. 24-37).

That this Jesus is the seed of David and therefore the promised Messiah, he proves by three lines of argument:

(1) The testimony of John the Baptist (vv. 24-25).

John disclaimed all power as their deliverer, and pointed to Jesus as such.

(2) The prophecies of Scripture were fulfilled in their rejection and crucifixion of Jesus (vv. 26-29).

(3) By His resurrection from the dead (vv. 30-37).

Having proved Jesus to be the seed of David, he proceeds to follow the doctrinal teachings growing out of such proof.

3. Doctrinal (vv. 38-39).

The great doctrine derived from this proof is justification by faith, the very marrow of the gospel.

(1) The ground of justification is by grace. He took our place as a sinner but we might have His place as sons (II Cor. 5:21).

(2) Who are justified? Those who believe in Him.

(3) From what is one justified? All sins. The one who believes in Jesus is free for forgiven. His sins are all blotted out. This is the missionary message for all times. May we strive to get our pupils to believe on Him.

4. Practical (vv. 40-41).

The application of this sermon was a warning lest the judgment spoken of by Habakkuk should fall upon them.

III. The Effect of the Sermon (vv. 42-52).

1. Many of the Jews and proselytes asked to hear these words again (vv. 42-40).

Almost the whole city came to hear the Word of God the next Sabbath. This great crowd incited the jealousy of the Jews.

2. Open opposition (vv. 50-52).

This jealousy could not long be restrained. It broke out in open opposition. The persecution became so violent that Paul and Barnabas were expelled from the city. This persecution was answered by Paul's rejection of the Jews and his turning to the Gentiles.

3. The disciples were filled with joy and the Holy Ghost (v. 52).

Jean Paul Richter Said:

"The life of Christ concerns Him who being the holiest among the mighty, and the mightiest among the holy, lifted with His pierced hands empires off their hinges, and turned the stream of centuries out of its channel, and still governs the ages."

Men and Money Make this Bank Secure.

THERE are two ways of measuring the strength and standing of a bank. In the first place money resources—capital and surplus—give it financial strength.

In the second place—and perhaps even more important—are men, the officers and directors. They give the bank character, determine and execute its policies.

This is a strong bank, a helpful bank because it has ample resources, and a personnel of proven character and ability.
